HIMANSHU DWIVEDI

FRONTEND DEVELOPER

OBJECTIVE

Front-End Developer in helping companies create and maintain a better code base for reusability. Capable of continuous learning from senior developers while still nurturing junior developers. Experience in driving projects forward as the development team leader, facilitating projects from concept to launch. Passionate about learning and development with a desire to apply skills on a larger development team. Eager to tackle more complex problems and continue to find ways to maximize user efficiency.
